

## Green Paper

**Project Name:** Parking Lot Comparison

**Application:** Parking Lot

**Products Installed:** 60W LED Parking Lot Light in place of 175W Metal Halide

175W  
Metal  
Halide

60W  
LED

The 60w LED fixture provides the same ft-candle light level as the 175w Metal halide lamp with a total system power of 225w. A 73% reduction in power usage.
